

For Immediate Release:

**Conco IndustrieService GmbH Earns SCC and ISO Quality Audit Win**

Magdeburg, Germany (August 30, 2018) Conco IndustrieService GmbH, the German division of Conco Services Corporation, secured both SCC and ISO compliance successes after a May, 2018 audit. Conco was found to be exercising the highest operational commitment to SCC health and safety policy, which secured Conco SCC's highest rating of "P." The audit of ISO adherence determined the company to be in strong compliance with ISO standards for quality management processes.

SCC or Safety Certificate for Contractors is a standard that applies for the audit and certification of safety management systems. ISO standards for quality management are established by the International Organization for Standardization, an international agency composed of the national standards bodies of more than 160 countries.

Conco IndustrieService GmbH, like its global parent company Conco Services Corporation, provides products and services for the cleaning of heat exchangers and condensers in the industrial and power generation sectors. The German company will be audited annually to secure certification of compliance with SCC and ISO standards.
