## **Conco Services Corporation Releases 2017 Catalogs for the Power Generation & Industrial Markets**

*The 2017 Catalogs Include Conco's New Mission and Vision Statements*

**Verona, PA** (April 12, 2017) Conco released updated and comprehensive market-focused catalogs highlighting its products and services as well as its new Mission and Vision Statements. The catalogs provide a single source for all the products and services Conco has to offer in the power generation and industrial markets. Through the incorporation of its Mission and Vision Statements, it also provides information on what Conco stands for and is working to achieve.

**Safe, Quality Products and Services...Beyond Expectations** very simply explains our mission to operate safely, designing and manufacturing the best quality products and services for the industry. The goal for our company's future is encapsulated in this Vision Statement: **Achieve Legendary Success – Change Your World.**

The updated catalogs also highlight the core competencies of Conco's cleaning, leak detection and eddy current testing and include customer testimonials, case information and product details. They identify how Conco provides solutions for customers to achieve legendary success with Total Performance™, which is a complete three-part solution first identifying the status of the condenser and heat exchanger tubes, second detecting equipment fatigue that can cause inefficiency and third cleaning tubes to improve flow and heat transfer in their condensers.

Requests for catalogs can be made via telephone at 1-800-345-3476 or by emailing [info@conco.net](mailto:info@conco.net) .

Founded in 1923, Conco is the world's leading provider of condenser and heat exchanger services to the power generation and industrial process industries with offices located in the US, Europe and Asia Pacific.
